

Licencing

Conditions:

1. Sources of noise from music, singing and speech, whether amplified or non-amplified should be barely audible outside noise sensitive premises, such that it is inaudible inside noise sensitive premises between the hours of 23:00 and 07:00.
2. External music to be restricted to 4 occasions between the months of May and August between 12:00 and 23:00 on either Fridays, Saturdays or Sundays, the duration of which is limited to 4 hours for each occasion, with 14 days notice being given to the Police, and Council Licensing Officers.
3. Where the premises are in use under this licence, all external windows and doors are not to be fixed open after 23:00 hours any day of the week to prevent the escape of noise and smells.
4. Ensure regular monitoring of the beer garden and the outside of the premises to ensure that customers entering and leaving the premises and car park do so in an orderly manner so as not to cause disturbance to nearby residential properties or annoyance to people passing the premises.
5. The handling and moving of kegs, barrels, cylinders and the disposal of empty bottles and rubbish outside will cease at 23:00 hours.
6. Noise from plant and machinery (such as mechanical ventilation and air conditioning units) must not be audible at the nearest noise sensitive premises between the hours of 23:00 and 07:00.

Embedded Restrictions

Save as to hours, the embedded restrictions are not lifted. In relation to hours the new varied licence replaces the old restrictions.
